

Dear Pack Coordinators,

Thank you in advance for your hard work the next few months as you work on day camp. The day camp committee is really looking forward to this July and have many fun things planned. Please let us know if you have any questions regarding camp registration. We would be happy to help you! Below is a brief summary of registration, staffing needs at camp, and the training schedule.

1) This year the registration is going completely online – We want this to be an easy change for you and your families, and hope that this makes your job easier! Everything will still center around the Foothills District Cub Camp Webpage – [www.foothillscubdaycamp.webs.com](http://www.foothillscubdaycamp.webs.com).

Registration will be done by the family online, then you will have access to all the records both youth and adult, to change, manipulate and update. We are excited about these changes and hope you will be too. Cub registrations will be due April 13<sup>th</sup>.

2) All packs need to supply 1 station leader per day (Tuesday thru Friday) for every 8 boys or part thereof they are sending to camp. All packs need to supply 1 walking leader per day (Tuesday thru Friday) for every 4 boys or part thereof. Please tally wolves, bears, and webelos separate, as they rotate differently. All packs need to supply 2 volunteers for set up at camp on Monday 2:00 – 6:00 pm and 2 volunteers 1:00 to 4:00 pm for take down at camp on Friday. Friday's take down staff should not have "car pool" responsibilities. Monday set up and Friday take down staffing is in addition to the staffing required for camp. Schedules will be due by May 11<sup>th</sup>.

3) All walking leaders, station leaders, camp aides, and den chiefs need to attend the mandatory June 8, 2017 training meeting, 7:00 pm during Roundtable. Please remind your volunteers of this fact often, so everyone has it on their calendars. Our camp success is in part based on an educated and enthusiastic staff! There will be station samples with instructions that night. All volunteers need to know this information to be able to help the cubs "do their best". If all volunteer schedules are turned in on time in May we will have volunteer assignments available at the June 8<sup>th</sup> meeting.

4) Mandatory onsite Training Meeting for all volunteers is scheduled for the Monday, July 10, 2017, 7:00 pm - GFWP. Please be on time so we can get all the information covered quickly. Finalized staff assignments will be available that night. Bring a chair or something to sit on please.

5) Any staff wishing to assist in the Archery or BB ranges will need to attend the Chief Seattle Council Shooting Sports Training. Date TBA (May – June). Please contact us for more information. Any Boy Scouts (14 and older only) wanting to participate in these stations must attend the training yearly. Proof of current certification will be required for any volunteer manning the shooting ranges.

7) We need lots of Boy Scouts. If you know of some, recruit them to come to camp.

A very big "thank you" to all of you for your attention to these reminders!
